Mission Viejo Days
Set for October 3-4

It's into the air for Mission Viejo as plans soar for the third annual Mission Viejo Days fete to be held Saturday and Sunday, October 3 and 4.

A dramatic air show — at the Skydome, Orange County Airport — will be the highlight of the weekend of events. Other festivities planned are a two-day mixed round-robin softball tournament with the championship playoff game to be held Sunday and an intra-community swim meet on Saturday at the Sierra Recreation Center. Relays, races, contests and a whirl of events are planned for both youngsters and adults.

A Saturday-evening dance at Montanoso Recreation Center featuring popular music as well as Western hoe-down entertainment is also on tap for the "Days."

Pig Pursuit
The infamous "greased pig" contest will mark the activities of the weekend, also, with trophies for the "swiftest catching of the slickest."

An outdoors Western barbecue will be staged Sunday afternoon. Steak, beans, salad and beverages will be the fare for informal dining in the sprawling green space of Mission Viejo Golf Course. Dinner will be priced at an all-time low so that family budgets will not feel the impact of sharing in the fun of "dining out doors."

A LITTLE DAB — It's none of that "greasy kid stuff" for this little porker. Not planned to take out the squeal, the oil rubdown will make the little oinker a bit slicker for his part in the "greased pig contest" — one of the events of the forthcoming Mission Viejo Days celebration October 3 and 4. Holding the piglet is Steve Feicht, 11, Andalusia Circle, La Paz Homes.

4th of July Marks Skyrocket Success

The first annual Fourth of July celebration in Mission Viejo went over with "a bang." Its overwhelming success is due, in part, to a dynamic group of men and women in the community — the Activities Committee.

The people of Mission Viejo who help support the purposes and goals of this committee complete the total success picture.

Informal Group
Working on a voluntary basis to plan, coordinate and develop special programs and events, this community-oriented group adds a new dimension to living in Mission Viejo.

Success seems to be their only by-law, as there are no formal officers, no written restrictions or rules to encumber their activities and their approach. Their goal is to involve as many residents as possible in activities that will build the spirit within the community. And this the Activities Committee has achieved, repeatedly.

The more than 6,000 persons that turned out for the old-fashioned Fourth of July picnic and fireworks display marked more than half of the population turned out to share in the festivities of Mission Viejo's first Fourth of July celebration. Here, some of the 6,000 persons that gathered on Mission Viejo Golf Course driving range enjoy an old-fashioned picnic with musical entertainment. And, at darkness, the gigantic fireworks display lights the skies overhead. [See complete photo coverage on pages 4 and 5].

Landscaping Center Opens in Community

The recently-completed Mission Viejo Gardens, a complete nursery and garden shop, will hold its grand opening and 2.

Located on Chrisanta Drive in the La Paz neighborhood, the new center will feature plants, tools, accessories and maintenance products. It will also have a sample selection of patio furniture.

One of the unique concepts of the center, according to its owner, Roger McKinnon, will be its “color program.” This incorporates the artful use of color in a well-designed plan for landscaping based on individual tastes and preferences.

Trained interior decorators will assist in this personalized planning, as well as in offering advice and suggestions with garden problems and needs.

McKinnon celebrates his tenth anniversary in the nursery and landscape gardening field coincidentally with the opening of Mission Viejo Gardens. His first shop was opened in Costa Mesa in 1900. Later, he opened Roger’s of California in Newport Beach.

The community’s new addition in merchant services to assist homeowners with landscaping will be open Tuesdays through Saturdays, 9 a.m. to 4 p.m.

Hicks Hits Top Spot In La Paz Home Sales

Not only is Gordon Hicks, La Paz Homes sales, top salesman for this month, but he also leads Mission Viejo Company in sales for the year.

His sales in June for a net volume of $602,910, when added to his tally total of 50 net sales for 1970, for a dollar volume of $812,405.

Prior to joining Mission Viejo Company, he was with Deane Homes. He was presented the $3 million Club Award for two consecutive years.

Gordon was one of four panelists at the Sales and Marketing Council Meeting held in Los Angeles recently. He and Ron Brady, Coronado Homes sales, were special guest panelists at this annual conference.

MV Women’s Club Welcomes Members

New officers of the Mission Viejo Women’s Club, affiliated with Deane Homes Swim and Racquet Club, were recently elected.

They are: Mrs. Richard Canaday, president; Mrs. John Carlisle, 1st vice president; Mrs. Willis Wilson, 2nd vice president; Mrs. Neal Breaugh, 3rd vice president; Mrs. James Farley, 4th vice president.

Also chosen were Mrs. John Kremer, secretary; Mrs. Claire Fain, treasurer, and Mrs. Robert Kerr, historian.

Last year, the club initiated a block parent program for Deane Homes to protect children enroute to and from school. Meetings are held the second Tuesday of each month, and interested women are asked to call Gloria Chakos, 513-7742, or Mary Canaday, 830-0030.

Racebikes, Stereos To Drawing Winners

Winners in a recent drawing held at the sales offices of Seville, Eldorado and Granada homes were announced recently by Dave Maddocks, sales manager of Mission Viejo Company.

Prospective homeowners were to trade their rental receipts for a chance to win one of three Honda trailbikes, stereo tape decks and dinners at Mission Viejo Inn.

The following entrants were awarded the trailbikes: L. E. Kish, Santa Ana; John Lehur Fullerton; and Mr. and Mrs. Ken Emory, Balboa Island.

Robert De Jardin, Santa Ana; Michael Phelan, Fountain Valley, and Mr. and Mrs. Tom Frielings, Playa del Rey, received stereo tape decks.

Lady Stockbroker
To Offer Workshop

With the wisdom of experience, not only in her professional field but as a woman in today's complex society, Charlene Vance, Southern Orange County's only lady stockbroker, plans to offer a "Wall Street Workshop" to women in the community.

Charlene, husband Lee, and children Larry, 13, Michael, 10, and Cynthia, 6, live on Via del Sol, Granada Homes. She feels "an insight into investments is not only educational and interesting, but it can prove of great value in planning for the future."

"The responsibility of maintaining and operating the home, and the constant need for financial decisions may suddenly become that of the woman," Charlene said. "The knowledge she acquires in investments and future financial planning may prove very valuable in unexpected family crises. Divorce, death, separation — all of these may result in the woman suddenly becoming the 'head of the household.'"

"She should know how to be capable and independent; should have to stand alone."

"There will be no charge for these community workshops. Both evening group meetings for business or professional women, as well as afternoon sessions for the homemakers, will be held once a month. The afternoon classes will be at 1:30 p.m., when the eastern exchanges close. This also will allow for mothers to be home before their school-age children return from school.

Many women have found such workshops not only a stimulating experience, but their interest in the stock market has proved most beneficial. In fact, the majority of shareholders in the United States are women.

Charlene, who once instructed modeling courses and later entered into the field of journalism and public relations, received her stockbroker's license in November, 1969. Months of intensive training and study were required. And then there was the challenge of the examination to qualify for her stockbroker's license.

Presently with First California Company, Monarch Bay, Charlene spends the morning and early afternoon at offices at Laguna Niguel.

She also finds time for a weekly television program on Leisure World television (Channel 6) and for research, study and evaluation of the constantly changing market trends.

There are three women stockbrokers in all of Orange County. Previously, there had been some reluctance to the acceptance of women in this field of finance, not only in California, but all areas. This breakthrough within the county marks the trend of women in new fields of enterprise. And they are most successful in their new endeavors.

To learn more about this intriguing world of finance, call Charlene at 541-3462. Workshop sessions will begin when a sufficient number of interested persons register.

GIRLS' TURN — July's issue of the Mission Viejo Reporter was personally delivered to the more than 3,000 homes throughout the community by members of the Girls Scouts Cadet Troop #383. (Above left), Dawn Masterson, 12, and Larri Jo Brown, 10, give Geoffrey Northcote, Embajadores Lane, his copy while (below right) Elliott Levensen also of Embajadores Lane receives his copy from Barbara Kennedy, 12, and twin sister, Valerie. Double Trio Marked
By Neighborly Births

Three's a charm for the new Davins, of El Mar Drive, Granada Homes, and their neighbors, the Tom Valentines.

On Saturday, July 11, the Davins welcomed their third son, William James Davin, who weighed in at 8 pounds and seven ounces. Two days later, on Monday, July 13, the Valentines added little Tami Louise, their third daughter, to the family.

Tami, who weighed eight pounds, 13 ounces, joins sisters Teri, 10, and Anne, 7.

In the Davin household, sons Michael John 6, and Mark, 5, round out the trio.

Davin is a project engineer with McDonnell-Douglas Corporation, Huntington Beach. Valentine is purchasing agent with Mission Viejo Company.

Young Future Farmer
Gives Thanks to Community

The following is an open letter sent to Mission Viejo Company from Susan Ashburn, owner of the steer which was purchased during the Orange County Fair livestock auction:

I can't begin to tell you how grateful I am to you for bidding on and buying my steer at the auction last week.

This being my first year in the agriculture program made it even more of a thrill and an honor. It was a lot of hard work but a lot of fun also and thanks to a good school, an excellent FFA, wonderful friends, and especially to you, I now have a good start on my future years of education. I, along with all the other FFA members in our community, will always try to live up to the faith and confidence you have shown in us by purchasing my steer at the Orange County Fair. We deeply appreciate it.

This year is over now with all its joy, honor and tears and I am looking forward to next year when I will try to rate another blue ribbon herd.

Once again may I say how grateful I am and thank you so very, very much.

TOP STEER TAKES TOP DOLLAR — "Ferdinand," grand champion steer in the recent Orange County Fair, goes to the highest bidder - Mission Viejo Company - at the livestock auction. Gil Aguirre, Rancho Mission Viejo supervisor, is shown with Susan Ashburn, of the Mission Viejo Campaneros, who raised the 1,140-pound steer as her 4-H project.
WAVE OF CHECKERED FLAG—The first Orange Crate Derby found 29 entries competing for top awards. Winners in the eight to 10 years age group were 1st place — Peter Marino (Car 36) of Cacere's Circle; 2nd place — Jeff Wilkinson (Car 12) Castilla Street; and 3rd place — Kevin Kouset (Car 32) Salerno Lane. In the 11 to 14 age group, 1st place winner was David Lark (Car 20) of Vera Cruz; 2nd place — Tom Giguere (Car 30) San Vincente; and 3rd place — Ty Scott (Car 38) Adobe Lane. The prize for the most unique entry was presented to Peter Marino, (shown in Car 36).

SCENES AT SIERRA — Mission Viejo's second recreation center in the southern portion of the community was recently opened. A watermelon seed-spitting contest marked the opening day's activities. The tot's wading pool served as a giant cooler for the melons, while the fountain proved a cooler for the young set.
ALL IN THE WAY YOU ZING — Junior watermelon seed-spitters take aim at the opening of the new Sierra Recreation Center in an exciting contest for distance, accuracy and skill. Winners of this "Zap" tournament were Rick Condra, in the 4 to 8 years division; Brad Kinser, 8 to 12 years; Rick Kanen, 13 to adult, and Elizabeth and Floyd Goodell in the couples category.

DINNER AND LAWN SHOW — Musical entertainment added to the enjoyment of the old-fashioned outdoor picnic. "The Ramblin' Rogues" square dancers and "Sing Out, Amigos" performed for the countless family groups that gathered on the Mission Viejo Golf Course driving range. The spectacular finale to the evening was the fireworks display that flashed in the skies above the community.
**Montanoso Recreation Center**

**Planned as Cultural ‘Hub’**

Completion of the Montanoso Recreation Center expansion is planned for September 19, according to Jerry Curran, director of recreation, Mission Viejo Company.

"Physical improvements to our new building and land areas are progressing. Our new facilities will include an adult lounge, meeting room, physical fitness area and a large addition to the present multipurpose room," Curran concluded.

The new Sierra Center in the southern portion of Mission Viejo recently opened, providing members with the use of either facility.

Bus service between the six neighborhoods of the community was inaugurated, serving the recreational needs of the families in Mission Viejo, but their educational, social and cultural needs as well," Curran concluded.

"We are now in the process of planning extensive programs for these facilities.

As the proposed center of social and cultural activities for all members, the Montanoso Center’s improvements have been designed to accommodate the growing number of family memberships throughout Mission Viejo.

"Montanoso is planned to be the social hub of the community. Its designation will be on a larger scale than merely serving the recreational needs of the families in Mission Viejo, but their educational, social and cultural needs as well," Curran concluded.

LITTLE LEAGUE PLAYOFFS — Winners of Mission Viejo Little League met in a season's playoff game. The Red Sox tilted the Angels' bats 8-4, to win the community's championship.

TEETOTALLERS
By Nadine Maze
Is "Mission Impossible" Golf Course getting easier? Is it losing its grip as the most challenging of courses? Weekend golfer Stuart Hawley of Los Angeles played the course recently, and after going five over par on the first two holes, collected his "golf know-how" and settled down to fine shooting.
He medaled 41 on the front nine, and on the tough back nine he shot a record 33. (Course record is 33, but first two holes, collected his "golf know-how" and settled down to fine shooting.
If those two short putts I missed had gone in the cup, I could have had an even lower score. Hawley said. He not only talks a good game of golf, but he plays it.
Mission Viejo Golf Club congratulations to guest Stuart Hawley.

The annual 36-hole Medal Play Amateur Invitational Golf meet will be held Saturday and Sunday, August 1 and 2 at Mission Viejo Golf Club.
The field is open to golfers with 12 or less handicaps.
Early entries in the Championship Flight (Los Campeones) include Dave Barile of San Clemente; Hugh Gregg, La Habra; Warren Shafer, Oceanside; Fred Warren, Santa Monica; Ron Brady and Dick Bradshaw of Mission Viejo.
To nearly complete his day, Gaynor, who lives in Glen dales, came close to eagling the fifth hole (the number one handicap hole,) but birdied it. And all this for a score of 105 for the course.
