The sights and sounds of the Gaslight Era will be brought back in nostalgic memory in the 1970 Mission Viejo Days, Saturday and Sunday, October 3 and 4. The third annual community celebration will feature flourishes of the early 20th Century with antique car displays, “Great Race” classic car rally, 100-foot hot air balloon, slow-pitch softball tournaments, “Sweet Adelines” and barbershop quartet harmonizing, Western hoe-down and a dance to the tunes of bygone times.

Tennis and swim tournaments for the athletic-minded, greased pig contests, are also planned with pickle and cracker barrels, brass spittoons and comical hi-jinks to give the aura of the era. Trophies and special awards will be presented to contest and game winners.

Sunday’s highlights will include the Barbeque-on-the-Green with steak dinners and hot dog specials, salad, beans, and relishes. Beverages will be available. The full weekend of activities, games, contests and entertainment is sponsored by the Mission Viejo Activities Committee, with active participation by community organizations.

For the majority of the 12,500 community residents, it will be their first introduction to bygone times, and all are encouraged to wear the attire of the period for the festivities. Based on past Mission Viejo Days spectaculars, this year’s festivities are expected to attract over 5,000 residents and visitors for a return to the past.

Look for the balloon at the northern end of the golf course near the Montanoso Recreation Center. Under no circumstances will the balloon be released for free lift at any time.

All Sunday’s festivities will be held at the Mission Viejo Golf Course. For a complete schedule of events and map of the area, see page 8.

Mission Viejo welcomes you to the Third Annual Mission Viejo Days’ celebration.

Back in 1753, Jacques and Etienne Montgolfier of Sur de Champs, France, near Paris, reached notoriety by flying a hot-air balloon with passengers successfully for the first time anywhere.

Now, 217 years later and in Mission Viejo, a group of modern generation balloonists will tether their own 100-foot diameter hot-air balloon, using a propane fed flame to generate the heated air for lift. This special attraction for the 1970 Mission Viejo Days is being coordinated by Harvey Steam and Vince Esposto. High school balloonists from Garden Grove and students from Mission Viejo High School will launch, tether and recover the multicolored balloon.

Hopefully, with the proper wind conditions, generally less than 5 m.p.h., the balloon will “fly” Friday evening, October 2, at 7 p.m.; Saturday, October 3, at 9:30 a.m. and 7 p.m., and Sunday, October 4, at 9:30 a.m.

Look for the balloon at the northern end of the golf course near the Montanoso Recreation Center. Under no circumstances will the balloon be released for free lift at any time.

All Sunday’s festivities will be held at the Mission Viejo Golf Course. For a complete schedule of events and map of the area, see page 8.

Mission Viejo welcomes you to the Third Annual Mission Viejo Days’ celebration.

The Gay '90's were America's innocent years. The glimpse of a dainty ankle was more provocative than the briefest bikini. An ice cream cone cost a penny and so did a newspaper. There were horse-drawn streetcars, high-buttoned shoes, Floradora hats and celluloid collars. The Gaslight Era found the Sunday crowds on the grass in the park, waiters singing in restaurants, and the boys harmonizing at the barber shop. Daredevil attempts at hot-air balloon ing, automobile inventing and experimentation, and dance marathons dominated those days of yesteryear.

Two New Models of Eldorado Now Open

Eldorado Homes recently introduced two new models: the Plan 6 (The Chrisanta), and the Plan 2. Family living and entertaining are accentuated in this design.

The large family kitchen, which is adjacent to the family room, offers a service bar area in the southern portion of the community, was planned by community groups for meetings and discussions, "preferably library oriented," according to a spokesperson for the Orange County Library.

This special area will be used as a "story hour room." A community book review group is also planned. Present arrangements, 1 to 8:30 p.m., at the Orange County Bookmobile will be available within the complex.

Summer Gear Simple
To Stow in Storage

Summer being over, it is time to put away some of the pleasures of that season. This might include the recreational gear that played such a large part in family entertaining.

Mission Viejo Company's Trailer and Boat Storage facility, located at Avery Park, will be located under the Mountain. Parking facilities are designed for both sections. More can be included.

Community Library Building
Nears New Year Completion

Orange County's newest public library building, now under construction in Mission Viejo on Chrisanta Drive in the La Paz neighborhood, is planned for completion in January, 1971.

The 10,000-square-foot one-story building, which is planned to encompass both adult and youth sections, will also be provided for the community. It provides protection of their property in a locale accessible by residents while not distracting from the appearance of homes within the community.

Community: A community book review group is also planned. Presently, a Friends of the Library group is being organized for the community and neighboring areas. For information, contact Cole Collins, 830-6086.

Rental fees on unfurnished apartments will range from $100 to $210 per month, dependent on size and location.
Down on the Old Farm Parties Are More Fun

Party giving can be simplified with the help of Old MacDonald’s Farm, Crown Valley Parkway.

Children’s birthday parties, church gatherings or youth functions are easily arranged at the Farm. One of three decorated party rooms or the antique chuck wagon can be the setting for a small gathering, making parties easy, relaxed affairs for parents.

All decorations and party favors are provided by Old MacDonald’s Farm, which include a decorated cake, ice cream, punch and coffee, are served by a special party hostess from Fulton Shaw’s Farm.

Party arrangements also include admission into Old MacDonald’s Barnyard, a free ride on the mule-powered merry-go-round and a pony ride for each guest.

Reservations should be made a week in advance with the Old MacDonald’s Farm office. Phone 495-4333 or 837-4900 and leave the party planning to Old MacDonald.

Church Presents Lecture Series

A special four-part lecture series by Carroll Richardson, psychologist, on Inter-Personal Communications will be held at St. George’s Episcopal Church Thursday evenings, October 1 and 8, at 7:40 p.m.

The final meetings will discuss the generation gap and youth of today, and relationships to job, community, on national and international levels to the individual. Both discussions, which are open to the public and all age groups, will explore the psychological world of people to search for more meaningful relationships with others.

For additional information, call 837-4850.

LITTLE HELP FROM OUR FRIENDS — Members of Saddleback Valley’s Pirenas Swim Team give assistance in the delivery of the September Reporter. Various youth groups throughout Mission Viejo have helped in the delivery of the Reporter to earn funds for their organizations. In recent months, the Boy Scouts, Girl Scouts, Little League and Junior All American football team members have taken copies to the more than 3,500 homes in the community.

Vic-Lo

The First Annual Bratwurst Festival will be held Sunday, October 18, at Rancho Mission Viejo, on Ortega Highway, San Juan Capistrano.

The picnic, which will be from noon until 6 p.m., is open to the community. Sponsored by Saint Kilian’s Parish, tickets will be available at the church, or call 837-3096 for information.

“Just Us” — a three-part women’s chorus — will be resuming its meetings on Thursday evenings, 7:30 p.m. in Multipurpose room “A”, Mission Viejo High School.

Women interested in joining are asked to call Lilli Florentine, 830-0054 or 837-7510. Several programs are planned during the year by the group. Get in the sing, with Just Us.

A special Wall Street Workshop for residents of Mission Viejo will be held the third Monday of each month in the community.

The first meeting will be at 12:30 p.m., Monday, October 19, at the home of Lois Kirchner, 25421 Posada, La Paz homes.

Interested persons are asked to call Charlene Vance for information. 541-3462.

Thank you, Mr. and Mrs. John Lesho of Fort Lauderdale, Florida. Your Reporter is on its way.

We look forward to your becoming part of the Mission Viejo community.

—Editor

Fires Spark Warning

In view of the extreme threat of fire as evidenced by the extensive damage in neighboring areas recently (the El Toro, Trabuco Canyon fires), Mission Viejo Company has sent a letter to homeowners regarding motorbike riding on community property and the unimproved areas within and surrounding Mission Viejo.

Effective immediately, citations will be issued, without prior warning, to trespassers who are riding motorcycles, motorbikes, trailbikes, minibikes and other motor-driven vehicles on Mission Viejo property. This will in effect enforce the Orange County

MARGUERITE CENTER PLANS— Construction is now underway for the third recreation center in Mission Viejo. The Marguerite Center is planned to provide indoor facilities, tennis courts, sauna and extensive adult-oriented activities. Members look at the plans for this center, which is due for completion in February, 1971.

(Continued on page 6)

Recruitment Centers Provide Full Calendar of Fall Events

Mission Viejo Recreation Centers’ program of activities and events is like a cornucopia brimming with pleasant surprises for Autumn.

Tapping the list of pre-holiday spirited events is the Annual “Spook House” which has sent shivers down the spines of young community residents the past two years.

Tours and topics of discussion; sports events, and movies are also on the October calendar, which also includes:

Sat., Oct. 3
8 p.m.—1 a.m.
Mission Viejo Days! Gay 90’s Dance
Montanoso, The first big affair in the newly expanded Montanoso Center, Costume or casual. Music by the Dave Whitehead Quintet, and square dancing with Herb Lesher calling the steps. Cost: $3 per couple. Prizes.

A new pastime parlor game will be introduced. But for those who prefer the other favorites, there’ll be Parcheesi, Gin Rummy, Bridge, Backgammon, Checker, Chess, Cribbage — Go! Members only. $1 per couple. Prizes.

Spook House Planning Meeting — Teens — Montanoso
Ferie ideas are needed for the big night.

Couples' Volleyball League — Montanoso
Opening of the sand court sports season.

Nadadores Picnic
A Cow Camp outing for the young swimmers and families.

Holiday Crafts
First of three sessions. Phyllis Cole will show how to add beauty to your home for the holidays with Wreaths, Sprays and Decor, $1.50 per session, $3.50 for series.

Basketball League — Teens
Three-man teams will compete in league play. Sign up individually or by teams. Trophies to top teams in tourney.

Lion Country Safari — 7/11 Club
A tour for the pre-teens to Lion Country. African wildlife roam freely in Saddleback Valley. $2.50 includes admission and transportation.

Trailbikle Excursion
A guided trek to the desert behind Big Bear. Monthly trips are planned. Call 837-4084 for information.

Holiday Crafts — Montanoso
Second in series. Members only. $1.50 per session.

Great Ideas — “Crowded Skysways”
Round table discussion on timely topics. Express yourself; Opinions and mental workout. Doug LePage will be discussion leader.

Montanoso Open House — Recreation Centers' members enjoy the new facilities of the Montanoso Recreation Center at the recent Open House celebration.

MONTANOSO OPEN HOUSE — Recreation Centers’ members enjoy the new facilities of the Montanoso Recreation Center at the recent Open House celebration.

EVENTS

OCTOBER, 1970 MISSION VIEJO REPORTER PAGE 3
SPONSORS

GOLF CHAMP — Raymond Carrasco (right) is crowned champion in the recent Mission Viejo Golf Club Men's Championship tourney with a low gross 148. Roger Belanger, golf pro, makes the trophy presentation to the 1970 leader.

TEEE TOTALLERS

The Mission Viejo Golf Club held its Men's Championship Golf Tournament recently with awards going to players in both low gross and low net divisions.

Low gross winner, and champion for 1970, Ray Carrasco totalled 148, with a 75 on the first day of play and a 73 on the final day. Following on Ray's heels was last year's champion Phil Roseberry, who scored a total of 154 for the two-day tourney.

In the low net division, a sudden death play-off was necessary to determine the ultimate winner. Those scoring identical 144 nets were Fred Murray and Jerry White. On the second hole of the play off, misfortune struck Jerry, and the trophy went to Fred.

Other winners included: Low gross, — Bill Pultz, 3rd place, 156; John McNamara, 2nd; Dickson, 151; Jim Manion, 159; Gerald Bork, 165; Bob Minier, 167; Bill Gillette, 170; Paul Clark, 172; Don Weber, 172; Terry Crane, 173, and Jay Hammond, 173.

Low net winners were: Bill Agee, 3rd place, 145; Tom Hurd, 145; Dick Lister, 147; Erwin Smith, 151; Lynn Dickson, 151; Jim Manion, 152; Arnold Lee, 152, and Bob Harrold with 153.

Benefit Golf Tourney
Set for MV Course

The 7th Annual Harbor Day School Golf Classic will be held at the Mission Viejo Golf Course Friday, October 16.

The tournament will benefit the Harbor - Banning Scholarship Fund.

Entry fee is $30, which includes green fees, electric cart, lunch for the entrant and dinner for two.

Entries are being taken at the golf shop or may be mail ed to the Mission Viejo Golf Club office, 28743 Oso Parkway, Mission Viejo.

For information, call 837-5604.

Little Gridders Meet Heavy Sked

The Saddleback Valley teams of Junior All American football will be playing four home games on Saturday, October 10, all games being played away.

At games away, the Gauchos travel to Huntington Beach for an 11 a.m. game against the Tigers. The Dorados will play the East Garden Grove Mustangs at 9:30 a.m. at the Garden Grove field.

The following week, Saturday, October 17, finds the Dorados pitted against the Placentia/Yorba Linda Minnows, at 9 a.m., followed by the game between the Gauchos and the Huntington Beach Raiders at 10:30 a.m. The Vaqueros meet the Newport Mesa Cornhuskers at 12:30 p.m. and the Broncos will compete with the Westminister Lions.

As an example, Player “A” shoots a net 67. His selected pro shoots a 69. Their total score is 136.

For an interesting and unique tournament, sign up at the MV golf shop. Entry fee is $3.

The golf club's cart problems will soon be solved. Some have just not had the "get up and go" to go the full 18 holes. In the near future, all the carts will be moved into the new cart building located at the lower parking lot. They will each be assigned a stall and an individual charger. This, hopefully, will assure their going the full 18-hole tour-making it with power to spare.

This will ensure Mission Impossible golfers of taking the complete course on wheels.

OUT OF SPACE — Commander David Scott was guest of the Saddleback Valley Junior All American football league recently at Mission Viejo High School field. Commander Scott will be aboard the Apollo 15 lunar flight in July 1971.

OUT OF SIGHT — Parents, team members and guests find Commander Scott's visit "way out." Several hundred community residents turned out for the informal talk by the Astronaut and for autographs.

FOOTBALL WORKOUTS — Pre-game exercises ready the Dorados Clinic team (top photo), while the Dons, also Clinic division, for ages 12 through 14 get a bit of line coaching at afternoon practice held at La Paz playing field.

PLAYOFF PLAYERS — Competing in the "sudden death play-off" for low net championship in the Mission Viejo Club championship were Fred Murray, (right) and Jerry White.
**Recreation Centers' Events**

(Continued from page 3)

**Thurs., Oct. 22**
Las Margaritas Four and Luncheon
As an insight into the community, visit the Mission Viejo Company offices, neighborhoods, new developments, lunch at Mission Viejo Inn. $3.50 includes transportation and lunch. Bus leaves Sierra Center — 9 a.m. Montanoso Center — 9:15 a.m.

Mission Viejo's swim team meets the Sandpipers, Orange County's Swim Conference "B" Division champions.

1 p.m.
Cartoons
For the kiddies. Followed by Crafts at 2 p.m. for seven years old and over.

**Sun., Oct. 25**
4 p.m.
Chargers vs. Houston Oilers
Sports fans will head for San Diego. Bus leaves Montanoso at 10:30 a.m. Limited to 30 tickets. Sign up now. Tickets — $7. Transportation — $1.50.

**Mon., Oct. 26**
1-2:30 p.m.
Holiday Crafts
The final in the first series of Wreaths, Sprays and Decor. The next topic will be Candy Making and Display in a series for November.

**Thurs., Oct. 29**
4 p.m.
Jack O'Lantern Carving Contest — Montanoso
Open to all ages. Display and judging of pumpkin heads will be held for Champagne, Scarlett, Smallest, Largest and Funniest. Carving is a "home project." Just bring in your creatively-carved lantern head.

**Sat., Oct. 31**
6:30-7:30 p.m.
and
6-9 p.m.
Speak House — Montanoso
Shades of skeletons, witches, weird brew and goblins. Everyone in the community is invited to attend. Visit the Bat Cave, Devil's Den, Torture Chamber, Witches' Caldron. (A separate section will be open to the not-so-brave and for the younger members of the community). Admission — 10¢ for members. 25¢ for non-members.

And October events are just the first stages in a very swing Fall season. November launches such special activities as a Jack O'Lantern Carving Contest — Nadadores Swim Meet — Sierra Chargers vs. Houston Oilers

**Planning Department Looks To Future of Community**

Anyone who has lived in Southern California during the past 10 or 15 years has seen unprecedented growth. This tremendous growth has too often been exemplified by chaotic arrangement of land uses and a lack of sensitivity for “people.” The Mission Viejo Company, in an attempt to avoid the pitfalls of developments in neighboring areas and counties, has employed a staff of specialists in fields of marketing, planning and engineering.

Withspiraling construction costs, diminishing open spaces and an ever-booming population, good planning and high standards of development become increasingly important. The marketing and planning departments maintain an intensive research and evaluation program to explore new innovations in housing and to avoid problems incurred by other developers. Each new Mission Viejo improvement goes through several procedures before becoming final.

As new town planners, Mission Viejo Company's primary concern is people. Its goal is to create in Mission Viejo a home environment that will bring satisfaction, pleasure and enrichment to its residents. Mission Viejo values your interests, inquiries, and suggestions.

**Gauchos Squad Set for the Season**

Opening games in Mission Viejo Conference play will find the Saddleback College eleven meeting Southwestern College Saturday, October 24, at 6 p.m. at Mission Viejo High School stadium in their only home game for the month.

Other games will be played Saturday evenings, October 10, 17 and 31 against Chaffey, Palomar and Grossmont Colleges.

The Gauchos expect 19 returning lettermen. Last year, in their second year of conference play, the Gauchos won the championship in the Desert Conference with a 9 and 2 record. This will be their first year in the Mission Conference.

**GAUCHOS BACKERS — With billows of pom poms, Saddleback College's songleaders warm up for the sports season ahead. Front row, left to right, Barb Trapp, Debbie Dryer and Connie Martin. Second row, Diane Handy and Kathy Dierkes. Back row, standing, Cathy Allen, Leslie Creighton, Ann Kilgore and Debbie Dierkes.**

**OCTOBER, 1970**

**MISSION VIEJO REPORTER**

**PAGE 5**
BIG PLANS FOR THE PAST — Mission Viejo Days return to the days gone by during the two-day celebration. Members of the community’s Activities Committee get set for the Antique Auto Great Race which will get underway Sunday, October 4. It’s all part of the plan to revisit the early era of Americans in Mission Viejo — for all residents and visitors to the community.

LA PAZ MEDICAL-DENTAL CENTER DIRECTORY

The following list of occupant of the La Paz Medical and Dental Center, 26008 La Paz Road at Chrisanta Drive, is being printed in the Reporter as a service for community residents. Since a number of the tenants have recently occupied suites in the Center, their names do not appear in the current telephone directory. It is hoped that this “clip out” will assist homeowners and residents in neighboring communities.

H. R. Akrawi, M.D. General Practice Suite 207 830-4180

Mark J. Legome, M.D. General Practice Suite 103 830-1060

This is not intended to be a complete listing. Additional doctors have established practices in nearby communities and can be located in the telephone directory.

FIRES SPARK WARNING
(Continued from page 3)
Precautionary ordinances recently issued which state that motorbike riding on private property without the permission of the owner is illegal. Permission will not be given by Mission Viejo Company except to a limited number of employees who by the nature of their responsibilities will be required to gain access to these areas of the community.

To report a trespasser, persons are asked to call Control One, 834-0127, and a representative will be sent to issue a citation to the violator. The community’s assistance is appreciated, as the cooperation of Mission Viejo homeowners will divert a possible tragedy that could occur from a serious fire.

MISSION VIEJO COMPANY

The Mission Viejo Company is a division of The Pacific Southwest Land Company and is a publicly held real estate concern. The company is committed to the community it serves and has been recognized by the community as a leader in the development of residential communities. The company is committed to providing a high quality of life for its residents and is dedicated to the development of communities that are safe, attractive and provide a sense of community for its residents.
