The sixth annual Cinco de Mayo celebration will be held Sunday, May 6, from noon to dusk at Mission Viejo High School.

A community tradition, the fiesta commemorates the Mexican victory celebration of 1862 which ended European domination of Mexico.

The event is sponsored by the school's Parent Teacher Organization and proceeds earned by the PTO are used to support scholarships and school equipment.

Jim Theiken, Cinco de Mayo chairman, reports 34 gaily decorated fiesta booths will again feature a wide variety of games, skills, and prizes for all. A selection of burritos, tacos, pizzas, hamburgers and hot dogs will be offered with punch, cakes and coffee. Homemade cupcakes, slices of your favorite cake, snow cones, popcorn and cotton candy are among the specialties.

Highlighting the entertainment will be "Tinker Town," featuring rides for ninos and ninas. Members of the Mission Viejo Association of Artists and Craftsman will display their work. There will be square dancing by the Ramblin' Rogues and special presentations by the MVHS Concert and Stage Bands under the direction of Terry Newman. Dancing and other entertainment will be enjoyed throughout the day.

Another special feature this year will be the preliminaries of the "Miss Saddleback Valley" pageant. Ten finalists are to be selected with swim suit competition at 4 p.m., followed by the talent portion in the multi-purpose room at 6 p.m.

Fiesta visitors are encouraged to dress in traditional Mexican costumes or run the risk of being thrown in jail.

Sponsoring organizations include the Mission Viejo Women's Club, Ramblin' Rogues Square Dancers, Holy Family Retreat, La Paz MGM Group, Y Indian Guides, Mission Viejo Association of Artists and Craftsman, Saddleback Mother of Twins Club, MVHS American Field Service, Saddleback College Benche Club, Troop 651 Boy Scouts of America, Mission Viejo Aquatics Foundation, Saddleback Valley Community Nursery School, Diablo Music Booster Club, Saddleback Valley Aquatics Institute, Ambassador Chorale (Geneva Youth Musical), Kiwanis Club, Lions Club, MVHS Freshmen Class, Mission Elks Club, MVHS Senior Class, MVHS Choruses, MVHS Junior Class, MVHS French IV Class, ASB Council, Sophomore Class, MVHS PTO, and MVHS California Scholarship Federation.

Other fiesta chairmen include Elmer Benson, co-chairman for Cinco de Mayo; Marilyn Neville, entertainment chairman; Harley Taylor, treasurer; Janice Lee, publicity; Anita Diamond, PTO president; Robert Besanko, MVHS Principal; and Keith Sims, MVHS Coordinator.

**CINCO DE MAYO FIESTA**

The Mission Viejo Homeowners Association and the Mission Viejo Beautiful Committee (in conjunction with the Mission Viejo Company) have designated the month of May as Mission Viejo Beautiful Month for the community.

"The purpose of the month," said Jeanne Cagniven of the Homeowners Association and Beautiful Committee, "is to encourage all of the residents of Mission Viejo to devote a little time to beautifying their own homes and thus contributing to the overall appearance of Mission Viejo."

"Various environmental and ecological-oriented programs will highlight Mission Viejo Beautiful Month. A paper drive competition will be held among the elementary schools in the community, with the winning school receiving a perpetual trophy. The Mission Viejo Beautiful Committee, along with Rogers Mission Viejo Nursery, will be organizing an aluminum can recycling campaign throughout the month. A contest to find the "Most Beautiful Street in Mission Viejo" will also be conducted. Residents living on the same street are encouraged to enter the competition which will be judged at the end of May by members of the Homeowners Association. The judging will only be of residents that have entered and will concern itself with the overall aesthetic appearance of the street. The prize for the winning street will be five books of blue chip stamps for each participating family."

In addition to these activities, the Mission Viejo Company will be sponsoring community beautification programs that will enable civic minded organizations to actively participate in Mission Viejo Beautiful Month. Glenn Mon, coordinator of Environmental Programs and Community Services for the Mission Viejo Company said, "there are a few areas within the community which need a little attention. We want to enlist the help of interested groups to revitalize these areas."

**NATIONAL QUALIFIERS**

FOUR MEMBERS of the Mission Viejo Nadadores Senior Swim Team qualified the weekend of March 17 and 18 at Belmont Plaza in Long Beach, enabling them to participate in the indoor short course A.A.U. National Championships in Cincinnati, Ohio, held April 4-7. Left to right: Peggy Tosdale, Kathy Howe, Tori Rothard, and Amy Howe were the girls selected. Peggy Tosdale became the national runner-up in the 100 fly, swimming the distance in 1:57.36. Peggy also bettered her time in the 100 free with a 54.3, the 200 free with a time of 1:57.5, and took an eighth place in the 200 fly with a time of 2:12.47. Peggy missed competing in the finals of the 100 free by 2/10 of a second. The group of four, swimming as a team, placed 24th in the 800 yard free style relay race where 40 teams were entered. The girls swam the distance in 8:07, a time improvement for all of them.
Temporary School Huge Success

Eldorado Primary School, located in the previously occupied Eldorado Homes sales complex, has proven to be more than just a temporary facility for many Mission Viejo youngsters. At the beginning of the school year last September, the four model homes in the complex were converted into classrooms accommodating children in grades one through three. The Mission Viejo Company donated the space to prevent overcrowding of other community elementary schools.

"We had no idea the concept would become so successful," said Shirlie Trutner, third grade teacher at Eldorado. "Our students have experienced an exciting year and we've learned that environment and atmosphere play a vital role in the student's early educational development."

One of the most significant discoveries is that the children feel a definite sense of security and belonging. Classes are small, ranging from 22 to 25 students. The divided rooms provide intimate study situations where children are free to intermingle without disturbing children in other rooms of the "classroom."

"We have set up each room as indoors - we've even made use of outdoor patios with painting and construction projects. The outside environment at Eldorado is almost as effective as indoors. The grounds are small and landscaped areas are soft and yielding. The parking lot at the sales complex is used for the children's blacktop playground area."

"The concept has been so interesting and successful, we'd like to have the opportunity to implement the same atmosphere with all age groups of students," said Superintendent William Zogg, Saddleback School District. "It seems one of the most revealing results of the Eldorado Primary experimentation is simply that children excel more rapidly in a casual, relaxed atmosphere with home-like surroundings."

NEW MISSION RIDGE

New Mission Ridge, semi-custom homes, are currently being built by the single family construction division of the Mission Viejo Company. Located east of the Mission Viejo Golf Club and bordered by Colorado, Oso and Marguerite Parkways, the one and two-story homes are built to encompass more than 3,000 square feet. Many custom features are included in the construction of the new homes such as: three car garages, garage door openers, air conditioning, shade and tile roofs and two fireplaces. Marble master tubs, ceramic tile counter tops and wet bars are also included. Some of the new homes will have superb views of Mission Viejo's green, rolling hills.

For further information regarding New Mission Ridge, contact Vern Lewis at Mission Viejo Realty, 837-9500.

Cordilleran Students - looking over the new trees and shrubs that will be planted around the school's campus, are first graders Shari Marks and Chris Krull. Nearly every class at the elementary school participated in the drive to raise funds for the project.

MISSION VIEJO REPORTER
Reorganization of Mission Viejo Housing Construction

James G. Toepfer, senior vice president, Housing Development Division of Mission Viejo Company, has announced the reorganization of California housing construction into two major operations.

Marvin E. Lawrence has been appointed director of operations, single family housing, Mission Viejo, California.

Lawrence has had 23 years experience in the construction field, and was director of construction, Western Region, with National Community Builders, San Diego, prior to joining Mission Viejo Company.

Before that time he was division vice president, Richard B. Smith, Inc., and was assistant vice president, McKeon Construction Company.

Excerpts, planned unit developments, Mission Viejo, California. Valentine was most recently project manager, and was formerly director of purchasing. He has been with Mission Viejo Company since August, 1969.

Toepfer cited the continued growth of the company as well as for future expansion as reasons for the new appointments.

Single family housing neighborhoods at Mission Viejo include New Madrid, New Barcelona and Castille Homes. Planned unit developments include Aliso Villas townhouses and Casta del Sol retirement community.

MISSION VIEJO INSURANCE AGENCY—staff members Bonnie Limon (left), and Ming Pietsch (far right), help Holly Leibold select the best policy for her New Madrid home. The agency offers complete service in various types of insurance policies.

Insuring the Community

Mission Viejo Insurance Agency, Inc., offers a complete line of personal insurance, including fire, automobile and homeowner’s policies and commercial insurance providing life and disability coverage.

Headed by vice president and general manager, Lou F. Gau, formerly with Philip Morris Inc., the staff of three including Bonnie Limon, Peg Newbern and Ming Pietsch assist in all company write-up transactions.

Bonnie handles the bookkeeping and various personal policy packages while Peg is involved in commercial and personal lines of insurance. Ming Pietsch is also a specialist in writing personal lines of insurance.

Mr. Gau and his staff invite Mission Viejo residents to contact the office regarding questions about their current policies or the need for additional coverage at 830-7000.

Two for the Price of One!

Debbie Luebke, a 14-year-old freshman at Dana Hills High School, was in for a real surprise shortly after her parents purchased a horse for her six months ago.

“Mascara,” who came to live at the Mission Viejo Stables, was becoming increasingly heavier each month and a seamstress. “She’ll be quite a catch someday,” said her father. “Debbie is really a well rounded young lady.”

The remainder of the Luebke family is equally as active as Debbie. Her 12-year-old brother, Ronnie, Jr., is a member of Little League and the Junior All-American Football Team. He collects snakes, rats, rabbits, doves, fish and enjoys hunting with the companionship of his golden retriever.

Caroline, 7, and Melissa, 6, are currently enrolled in ballet and gymnastics at the Mission Viejo Recreation Centers. The oldest of the Luebke family, Stephanie, 15, is a fashion model.

Mrs. Bonnie Luebke, active in the recent bond election effort, enjoys tennis and her activities as an interior decorator.

Ron Luebke is president of American Machinery and Engineering Corporation and is active in real estate in Orange County.

The Luebke family, who are currently enjoying their second New Madrid home, have lived in the community since March of last year.

CASTA DEL SOL SCENE

A GET ACQUAINTED cocktail party was held for residents of Casta del Sol at the new recreation center Friday evening, April 13. Adults living in the development since its opening last year, were invited to tour the new facilities and enjoy cocktails and hors d'oeuvres while getting to know their neighbors. Lee Lovell, director of recreation for the new center, served as hostess for the party's guests.

"CAMELOT" AT CASTA DEL SOL

The new retirement community of Casta del Sol boasts of many interesting new residents, including Mr. and Mrs. Edward Currere, a former motion picture art director who walked away with an academy award in 1970.

Mr. Currere, who worked in many facets of production design and art direction for the film industry, was nominated three different times for the coveted honor. He was the recipient of an oscar for his art direction efforts in the film version of "CameLOT" at the Academy Awards.

Academy Award Winner—Edward Currere is pictured with his wife Helen in the living room of their new Casta del Sol home. This photo of the couple with his oscar is the first ever to be taken, as the Curreres were in Mexico with the filming of "The Wild Bunch" during the 1970 Academy of Arts and Sciences award ceremonies. Accepting in his absence was his son Leon.

"We've really had a wonderful life," said Helen Currere. "We've travelled throughout the world because of my husband's profession, living in several different countries. It was always an exciting experience and, of course, we learned so much about different cultures all over the world."

Throughout the years, Mr. Currere has maintained a hobby of collecting antiques from various parts of the world. However, his hobby doesn't stop there. He has taken such items as wardrobe doors, chests and tables and added pieces of ancient art to blend into unusual and unique designs of his own.

"We've travelled throughout the world because of my husband's profession, living in several different countries. It was always an exciting experience and, of course, we learned so much about different cultures all over the world."

"We love the area of Mission Viejo for several reasons," Helen Currere said. "We have family in San Diego and West Los Angeles, so we're halfway between the two. We wanted a relaxing, quiet atmosphere, but one with activity close by. It seems we've found it all at Casta del Sol."

Mr. and Mrs. Currere have a son Leon, employed as a film editor for Aaron Spelling Productions. They also have three grandchildren whom they enjoy visiting frequently.

SUMMER FASHIONS—will be the theme of the clothes modeled at the upcoming fashion show staged by the students of the home economics classes at Marco Forster Junior High. From left to right: Brenda Marena, Mary Schubert and Susie Ptak receive last minute instructions from their teacher Mrs. Chesire. Members of the community are welcome to attend.

Fashion Show at Marco Forster

The seventh and eighth grade home economics students at Marco Forster Junior High School are currently preparing for their "Patterned for Summer" fashion show to be held Thursday, May 10, at 2:15 p.m., in the school's auditorium.

The students in the various home ec classes have studied a varied curriculum including nutrition, table setting and manners, meal planning, use and care of kitchen appliances and all the basics of sewing. Family relationships and decorative arts were also covered in the double semester program.

During the show students will model their own creations while refreshments, prepared by some of the students in the home economics classes, will be served to PTA members, parents and members of the community.

EASTER BASKETS FOR BABIES

Babies born during the month of April at Mission Community Hospital went home in seasonable style, thanks to the hard working women of the hospital’s auxiliary.

Happy Easter baskets were provided for bundling the newborns on their first outing. The idea follows the precedent set by the auxiliary during December of 1971 and 1972 when they made large red Easter baskets for babies born during the month of April at Mission Community Hospital each month.

According to hospital records, between 100 and 200 babies are delivered in the obstetrics department of the hospital each month.

PROUD PARENTS — Brian and Guadalupe Chongola are preparing to take their newborn daughter, Chrisa Antoinette, home in the decorative Easter basket made by members of the hospital’s auxiliary. Chongola noted that her grandfather was born at a short distance from the hospital 50 years ago, when the area had few inhabitants. Chrisa is the first child to be born to the Chongolos.

MV REALTY HAS RECORD MONTH

Vern Lewis, manager of Mission Viejo Realty, announced that March sales were the highest ever recorded during a 31-day period since the office’s opening in March of 1968.

With a total of 36 sales, the company recorded a dollar volume of $1,700,000. “Projections at the beginning of the year were that 1973 would be the best year in our history,” said Lewis. “Looking at the results for the first three months of this year, it seems that we are certainly off to a good start in ascertaining this goal.”

Mission Viejo Realty is located at 25112 Marguerite Parkway at La Paz Road.

NEAR COMPLETION — (Above) Workmen put the finishing touches on the new Mission Viejo Recreation Center in Aurora. The new $750,000 structure is being readied for a big grand celebration next month. The new center will offer a variety of activities for every family member. (Below) Construction is nearly completed on the models for the new Seville Townhomes in Aurora, which will open soon. Priced from $23,500 the homes are available in two-, three- and four-bedroom plans and feature vaulted ceilings and many new decorator innovations.

New Casablanca Model Announced By Mission Viejo Company

Mission Viejo Company has announced a new addition to its popular Lake Village Garden Homes at The Lakes, according to John Benton, project manager — sales and marketing for Mission Viejo Company's Tempe project.

"A sixth model, called the Casablanca, has been added," Benton stated. "The model home is completed and now on view at the Lake Village Garden Home sales complex."

Benton added that the Casablanca plan features two stories and cathedral ceiling elegance with either four bedrooms or three bedrooms and den, plus 2 1/2 baths. The Casablanca model is offered in three distinctly unique exterior elevations, priced from $43,750 and featuring such custom extras as an optional opening from the second-story den to the living room below.

"This new model has already proven itself to be among the most popular of the homes available at The Lakes," Benton said. "Even before the model was built we had sold several in the first unit."

ISLAND VIEW HOMES "LAUNCHED" AT THE LAKES

Spanning an entire week-end, the gala Grand Opening of the Mission Viejo Company's latest project at The Lakes in Tempe has "launched" Island View Homes to the attention of homebuyers and the general public alike.

The 168-home project offers lakeside living in both one- and two-story plans, with three and four bedrooms and two baths available. Priced from $33,995, many of the homes are placed directly on the waterfront of The Lakes' 50-acre lake.

Distinguished by expansive cathedral beam ceilings and innovative floor plans designed for active families, Island View Homes also feature many custom extras such as pass-thru win-
dow to patio bars and separate family rooms.

All of the homes come with refrigerated air conditioning, built-in Westinghouse appliances and washer/dryer connections as standard amenities.

According to Benton, the Casablanca and five other plans will comprise the newest section of Lake Village Garden Homes tentatively slated for completion and first move-ins by June.

NEW CUSTOMER SERVICE MANAGER AT AURORA

Bob Meek, project manager, Housing Division, Mission Viejo Company, Colorado, has announced the appointment of Larry Woodley as customer service manager.

Woodley was formerly director of customer service for Leadership Housing Systems, and prior to that was employed by Douglas Aircraft Company.

A native of Hampton, Iowa, he attended El Camino Jr. College, Torrance, California.

Woodley resides in Aurora with his wife, Donna, two sons and a daughter.

APRIL FUN DAY

The general public was invited to attend a number of activities April 1st to commemorate "April Fun Day," an event that will be celebrated yearly at Mission Viejo, Aurora, Colorado. Guests enjoyed old fashioned priced refreshments, tours of the nearly completed recreation center, and games throughout the day. A Dixieland jazz band and an arts and crafts hour for children were also included in the day's activities.

MANY GUESTS enjoyed the festivities of the recent grand opening party announcing the new Island View Homes at The Lakes.

WATSON NAMED SALESMAN FOR MISSION VIEJO COMPANY AT THE LAKES

Jesse Watson has been named salesman for Mission Viejo Company's Lake Village Garden Homes at The Lakes, according to John Benton, project manager, sales and marketing, for the Mission Viejo Company.

"We are pleased to have Mr. Watson associated with Mission Viejo Company at The Lakes," Benton stated. "His experience in the fields of residential and commercial real estate sales is a valued addition to our efforts on the Tempe project."

Watson, holds a bachelor of science degree in business administration from Arizona State University.

**Karaté Classes at Sierra**

A demonstration in Karaté was given between sessions of a Nadsadder Swim Meet, Sunday, April 15, at the Sierra Recreation Center. Tadashi Yamashita, who holds a seventh degree black belt in Karaté, performed before an audience of stunned viewers demonstrating spectacular feats that have gained him a reputation as one of the greatest Karaté experts in the world today.

Through intense concentration, a positive attitude and incredible balance, Yamashita performed his famous "walking on swords" and "amazing cutting stunts" for the audience.

Barefooted, he walked back and forth across a sharp blade and four sharp swords. To demonstrate the sharpness of the blades, he dropped a watermelon on the blade, cutting it to pieces. If a person lost concentration and allowed his natural reflexes to take over, he’d try to kick off the sword. The quick motion would drive the blades into his feet,” he later explained.

During the watermelon demonstration, a volunteer on his back had a watermelon perched on his forehead. A second volunteer stood at the head of the volunteers.

**Katere, Classes at Sierra**

A demonstration in Karaté was given between sessions of a Nadsadder Swim Meet, Sunday, April 15, at the Sierra Recreation Center. Tadashi Yamashita, who holds a seventh degree black belt in Karaté, performed before an audience of stunned viewers demonstrating spectacular feats that have gained him a reputation as one of the greatest Karaté experts in the world today.

Through intense concentration, a positive attitude and incredible balance, Yamashita performed his famous "walking on swords" and "amazing cutting stunts" for the audience.

Barefooted, he walked back and forth across a sharp blade and four sharp swords. To demonstrate the sharpness of the blades, he dropped a watermelon on the blade, cutting it to pieces. If a person lost concentration and allowed his natural reflexes to take over, he’d try to kick off the sword. The quick motion would drive the blades into his feet,” he later explained.

During the watermelon demonstration, a volunteer on his back had a watermelon perched on his forehead. A second volunteer stood at the head of the volunteers. No charge.

NADADORES SCORE IN FIRST SPRING MEETS

More than 400 swimmers were welcomed by the Mission Viejo Nadadores to a S.P.A.A.A.U. Age Group Swim Meet held at the Marguerite Center Olympic-size pool on March 24 and 25. The competition was open to 12 and under youngsters with "A" and "B" times from zones A, C, and F, encompassing most of Southern California.

Coaches Mark Schubert and Mike Lilly noted that the Nadadores did very well against the other teams and won many awards in both individual events and relays.

Randy Huffman, 10, was the outstanding swimmer of the team during this meet, coaches said. He made a new A.A.U. record in the 100 back, for his age group, with the excellent time of 1:09.7. The old record had stood since 1968. Randy also placed 1A in the 200 free with a time of 2:09.5, just three tenths of a second off the A.A.U. record. His other awards included 1A in 200 individual medley, 1A in 100 fly, 1A in 50 back, 2A in 50 fly, 3A in 50 free and 100 individual medley. At least 50 other Nadadores received ribbons and medals for relays and other events.

On March 31 and April 1, a number of the older Nadadores attended a S.P.A.A.A.U. Swim Meet for "A" and "B" swimmers, held at Newport Harbor High School and sponsored by NIMA. This meet was open to 12 and older swimmers. Among the place winners were Mike Woods, 12, with 2A in 400 individual medley, 3A in 500 free, 4th in the 200 free 12 year old special; Becky McCafferty, 14, 68 in 200 back and 200 breast, 28 in 100 breast; Janet Miller, 14, 1B in 200 free, 28 in 200 back, 58 in 100 breast; Diane Franklin, 14, 58 in 100 breast and 200 breast; Shawn O'Gorman, 14, 3A in 200 back, 6A in 100 fly; Kyle Edglen, 14, 5B in 200 fly; Sue McCarthy, 17, 1B in 200 breast, 100 breast and 200 free, 38 in 200 individual medley and 100 free, 68 in 50 free.

BOOOSTER CLUB LOS VAGAS NIGHT

Members of the Nadadores Booster Club took a night off from their busy schedules recently to enjoy all the excitement of a simulated night in Las Vegas at the Montanoso Recreation Center.

Entertainment included a buffet by the dynamic duo of Sonny Gribble and Tom Beshk. The Andrew Sisters, played by Tom Toepfer, Jim Okazaki and Andy O'Donovan, were followed by the dynamic duo of Sonny and Cher portrayed by Tim Gribble and Tom Beshk.

Screaming and fainting by the ladies in the crowded welcomed Tom Jones (Coach Mark Shubert), who sang his latest hit song, "Geraldine" (Roger Griffith) also turned out to be a smash hit. Following the program of single acts, a song and dance routine by John Mourer, appearing as a local Mission Viejo beauty, climaxed the show.

Cheers and whistles greeted the grand finale precision, high-kicking chorus line of Dewain McKenzie, Ron Bora, Dick Muench, Rick Deman, Hal Genichen, and Steve Glava. The entire evening's activities were reported to be one of the most enjoyable events ever to be sponsored by the club.

THE SHOW STOPPERS — which included a chorus line of the naeest show girls ever to hit the Montanoso Recreation Center, was the final act during the floor show at the Booster Club's Las Vegas Night, Friday, March 30.
