El Toro air base joint use draws fire

Lindham aide raps Michigan congressman who included local base in federal spending bill

By Barry J. Newman

Washington

A key Michigan congressman was in- 
numerable last summer to launch a full- 
blown campaign to reassert control of the 
El Toro Marine

Air Station

He was Rep. Bob Carr (D-Mich.), a 

Dennie who has tried to block joint-use 

of the base for any of the four years since 

the Defense Department told the Congress its 

plan to locate a permanent joint-use operation 

at El Toro.

A House Appropriations Committee 

eight members of the California 

and the House Appropriations Committee 

which has oversight of defense spending, 

have tried to block joint-use of the base 

for several years. But the House Appropriations 

Committee has refused to do so.

The Joint Use Act was passed by the 

Congress in 1967 and is expected to 

be reauthorized this year. 

The law calls for joint-use of 

El Toro by the military and the 

federal government.

The law also provides for

a hearing before the 

Congressional Joint 

Commission on 

Military Operations 

in California 

with the 

California state 

senate.

The hearing will be held in 

Los Angeles on 

Wednesday, February 15, 

at 10 a.m. 

The commission is 

composed of 

members of 

the California 

state senate 

and members of 

the California 

state assembly.

The hearing will be held in 

Los Angeles on 

Wednesday, February 15, 

at 10 a.m.

As promised, Valley signals are on the way

Byureen O'Hare

A signal proposal for the intersection of Manzanita Avenue and Loma Vista Drive in Escondido has been approved, and once construction is completed, it will ease traffic congestion at that busy intersection.

Now it's about to come about.

That's the word from the Board of Supervisors. The decision, which affects Manzanita Avenue from the Roundup to 7th Street, was based on a traffic study that showed the need for a roundabout at the intersection.

The roundabout will be constructed over the next few months, expected to be completed by the end of the year.

“We're pleased to see the progress being made on this project,” said Supervisor Thomas Hill, who has been working on the project for several months.

The roundabout will be a significant improvement for the area, according to representatives from the city. It will provide better access to local businesses and homes, while reducing the risk of accidents.

Getting There

Valleymain will be closed at 7th Street and El Camino Real. The closure will be in effect from 7 a.m. to 6 p.m. daily, and is expected to last until the end of the year.

The project is being funded through a combination of state and local funding, and is expected to cost $1.5 million.

Plan ahead

One of the goals of the Manzanita Avenue and Loma Vista Drive project is to provide a more efficient route for dumping waste. The project will include the installation of a new waste disposal site, which will be located off the Roundup.

The site will be open to the public on weekends, from 8 a.m. to 6 p.m., and is expected to serve the needs of the community for years to come.

But Bear Creek and Lomita Avenue will be the only remaining streets to receive Valley signals.

The city has been working on installing Valley signals for several months, and the project is expected to be completed within the next two months.

Stanton resigns from boundary commission

In the wake of citizens' criticism and concerns, the city's citizens have chosen to resign from the Stanton of Cedars-Attucks Board.

According to the city, the resignation is due to the board's inability to reach a consensus on certain issues.

Byureen O'Hare

Stanton has resigned from the board, citing her inability to fulfill her duties.

The city has been working on improving the board's performance, and Stanton's resignation is expected to improve the board's efficiency.

The city is currently recruiting new members to replace Stanton.

Stanton expressed interest in remaining on the board, but her resignation was accepted.

The city is expected to announce the new members in the coming weeks.

County hopes to open Modjeska home as a historical park soon

Byureen O'Hare

The county hopes to open the Modjeska home as a historical park soon, according to county officials.

The county has been working on converting the historic home into a park, and officials are optimistic about the future of the project.

"We're excited about the progress being made on this project," said Supervisor Thomas Hill, who has been working on the project for several months.

The county is expected to announce the opening date of the park in the coming months.

October 1980 - East Side Times
No chaos for a Laguna Hills city

By B. Craig Scott

Guest View

The principal reason why the Association of Laguna Hills was formed was to prevent the city from being taken over by outside forces. They wanted to maintain the status quo and not be subjected to the whims of city councilors or to be subject to the wishes of developers. The organization was formed to prevent such a thing from happening.

Guest View

Letters to the Editor

Premature

To the editor:

Thank you for your recent editorial regarding the first Coto de Caza City Council meeting. It was a great opportunity for the residents of Coto de Caza to gather and discuss important issues affecting our community. However, I must take issue with the statement in the editorial that the council is "premature in making decisions."

I believe that the councilors are acting in the best interests of the community and are making informed decisions. They are trying to address the needs and concerns of the residents and are working hard to improve the quality of life for all constituents.

I encourage residents to attend council meetings and voice their opinions on the issues that are being discussed.

Sincerely,

[Name]

Coto de Caza, CA

Derisive smiles

To the editor:

I take issue with the statement in the editorial that the councilors are "derisive in their smiles." I believe that the councilors are professional and are taking the business of the community seriously. They are working hard to make decisions that will benefit the community as a whole.

I would like to point out that the councilors are elected to represent the residents of Coto de Caza and are working to fulfill the needs of the community. They are not doing so in a derisive manner.

Sincerely,

[Name]

Coto de Caza, CA

Band update

To the editor:

I would like to share the information about the upcoming concert at the Coto de Caza Community Center. The band will be performing on Saturday, June 3rd, at 7:30 PM. Tickets are available at the door and all proceeds will go to the Coto de Caza Community Center.

I encourage all residents of Coto de Caza to attend and support the local musicians.

Sincerely,

[Name]

Coto de Caza, CA

Letters

Leave us alone

The following is an open letter to John Doherty and Lucinda Huette, members of the board of directors of the Mission Hospital

Dear John and Lucinda,

I am writing to express my concern regarding the Mission Hospital's recent decision to close the Laguna Hills campus. As a resident of Laguna Hills, I believe that this decision is unfair and will have a negative impact on the community.

I urge you to consider the impact that closing the hospital will have on our local residents. Laguna Hills is a growing community with a growing population, and we need access to quality healthcare.

Sincerely,

[Name]

Laguna Hills, CA

County to 'clean up' laws

By Maximilian I'anre

The county is seeking 21 legislative amendments to state laws or ordinances that work against the growth of the community. The purpose is to create a more efficient and effective county government. The amendments are aimed at improving the delivery of services, reducing costs, and increasing efficiency. Among the proposals, submitted by county supervisors, are changes to the planning and zoning code, the building code, the public works code, and the code for the chapter on public safety.

Workshop on arthritis set

Dr. Alan R. Schurman, a board-certified rheumatologist at Sutter General Hospital, will present a workshop on arthritis at the Sutter General Hospital. The workshop will take place on Saturday, January 10, from 9:00 a.m. to 12:00 p.m. The location is Sutter General 2nd Floor, Room 205. The workshop will cover various aspects of arthritis, including diagnosis, treatment, and management. The workshop is free and open to the public. For more information, call 530-984-1234.
Courtney H. O'Boyle

It's never too late to start a new career.

Not long ago, the day after her 50th birthday, Dr. Mary Kaye Stemple, a retired neurologist, decided to take her first steps in a new direction.

With a degree in psychology from Harvard University and a lifetime of experience in the medical field, Stemple had always been passionate about helping others. However, she realized that her previous career path had left her feeling unfulfilled.

"I knew I could do something different," Stemple said. "I wanted to make a meaningful impact on people's lives, but I didn't know what that would look like." 

After much consideration, Stemple decided to pursue a career in mental health and therapy. She began by attending a series of workshops and seminars to learn more about the field.

"I felt incredibly inspired," Stemple said. "I realized that there was a real need for mental health services in our community, and I knew I could make a difference." 

Stemple chose to specialize in cognitive-behavioral therapy, a type of therapy that focuses on helping individuals identify and change negative thought patterns.

"This type of therapy is particularly effective for treating anxiety and depression," Stemple said. "I am so grateful for the opportunity to help people improve their lives." 

Stemple's new career has been a source of great satisfaction for her, and she encourages others to pursue their own passions.

"It's never too late to start a new career," Stemple said. "Just remember to follow your heart and don't be afraid to take risks. Your future could be even brighter than you ever imagined."

Vapor drawing exhibit at Laguna Art Museum

An exhibition that focuses on the development of vapor drawings by Larry Bell, he along with his early explorations into the process in 1968, opens Jan. 10 at the Laguna Art Museum. The exhibition is the first comprehensive showing of Bell's work in Southern California since the mid-1980s when his works were shown at the Arnason Gallery in Los Angeles. The exhibition is co-sponsored by the Laguna Art Museum and the Studio Art Guild of Los Angeles.

Bell's work is represented by a number of works on paper, including three pieces of his "Vapor Drawing" series. These works are composed of small objects, such as the text "Vapor Drawing," that are suspended in the air, creating a cloud-like effect. The exhibition also includes a number of Bell's sculptures, including a large, abstract piece made of metal and glass.

 cellist landauer in laguna sunday

Cellist Landauer is the recipient of the 2023 Grammy Award for Best Classical Solo Performance. She will perform a recital at Laguna Art Museum on Sunday, January 22nd at 3pm. The program includes Tchaikovsky's Piano Concerto No. 1 in B-flat minor, Op. 23, and Dvorak's String Quartet in G minor, Op. 106. Landauer is also a noted educator and composer, and this recital will feature a world premiere of her new work for cello and piano. She will be accompanied by pianist Grant Germain.

Keefe lifts Woodbridge over Diablos, 57-47

By Tyler Lopez

Mission Viejo High was a confident team coming into Wednesday night's game against the highly seeded Woodbridge. Yet, Woodbridge was in the lead after the first quarter, as it looked like the Warriors might topple the taller Woodbridge.

The second quarter saw Woodbridge's Adam Keefe hit 12 points through the game. In the final period, Mission Viejo had 13 points in the final period, and Keefe had 14 points in the final stretch. Keefe had a successful game, as he scored 39 points in the final game.

The Warriors ended the game with a 57-47 win against Mission Viejo.

Laguna Hills 66, San Clemente 54

Laguna Hills did it again with a 66-54 non-League victory over San Clemente, winning on Wednesday night. Laguna Hills scored 13 points, and San Clemente scored 12 points. Laguna Hills is now 17-0 on the season. San Clemente has the game in the third quarter, in which they scored 17 points.

The Hawks were in the lead for the entirety of the game, as they defeated the Sharks, who scored 26 points in the first half, and 30 points in the final half.

The Hawks have maintained their lead in the last quarter, with the Sharks scoring 6 points, and the Hawks scoring 13 points.

Hawks, Mustangs peaking just in time for league

By Jay West

Last season, the Laguna Hills High boys varsity basketball team was 17-0 overall, and 10-0 in league play, claiming the Orange Coast League title.

With the 2018-2019 season, the team began to peak. The team had a majority of the core from last year. While there were only a few changes to the roster, the team continued to improve.

In the last three games, the team has scored at least 60 points in each game, leading to a 3-0 record.

In the first game of the week, the team faced Northwood High, a team that had previously defeated the Hawks. However, the Hawks came back strong, winning 66-54.

In the second game, the team faced San Clemente High, a team that had just defeated the Hawks in the previous week. This time, the Hawks came out on top, winning 66-54.

In the third game, the team faced Mission Viejo High, a team that had defeated the Hawks in the previous week. This time, the Hawks came out on top, winning 66-54.

The team has won all three games, and is now 17-0 on the season. The team will continue to play in league play, aiming to win the Orange Coast League title once again.

Basketball

Two players, Jay West and tacos, stand out in this game. West scored 21 points, while tacos scored 19 points.

Tacos has been playing well throughout the season, but it seems like West has really been stepping up his game recently.

The team has been playing well throughout the season, and is looking forward to the game on Friday night.

El Toro, Trabuco Hills grapple with new coaches, inexperience

By Tyler Lopez

As local wrestling teams enter league competition, both El Toro High and Trabuco Hills Mountain View find themselves with new coaches this season.

In the South Coast League, Jerry Jarrett takes over as head coach at El Toro. The 30-year-old Jarrett will be the first at the school. He has been an assistant coach in the area for the past six years.

At Trabuco Hills, the team will have a different look this season as well. Head coach is Dave Adams, a former state champion at Santa Ana.

Wrestling

El Toro

The Chargers placed sixth in a 12-team tournament at El Toro and 13th in a 16-team tournament at Yorba Linda.

El Toro will be led by a small group of returning wrestlers, including senior captain Tim Adams, who will be joined by junior captain Adam Adams, also a state champion.

Junior Connor Hill will contribute to the team's success.

The Chargers will have to work hard to earn a spot in the playoffs, which are scheduled for mid-February.

Trabuco Hills

The Mustangs also faced the problem of inexperience, as they enter their 2A Pacific Coast League schedule.

"We have a very young team. Only one-third of it is made up of seniors. This year, we're going to concentrate on learning and gaining more experience." — Gary Bush

Trabuco Hills High coach

Sports Briefly

Softball: Tourney to conclude

The Santa Ana Valley Little League will hold its tournament this weekend. El Toro High and Trabuco Hills High School will play in the tournament, which begins Friday.

All new players must bring a copy of their birth certificate and proof of address to registration. Boys and girls ages 6 to 16, as of July 1, 1993, are eligible to participate.

The league is based on the west and north end of Santa Ana. For more information, call league president Joe Ballew at 756-2044.

NMVLL registration slated

The North Mission Valley Little League will hold its registration this weekend. The league is open to all boys and girls ages 6 to 16.

For more information, contact league president Joe Ballew at 756-2044.

SMVLL signs scheduled

The South Mission Valley Little League will host its registration this weekend, also at the South Mission Valley Park.

All new and returning players must bring a copy of their birth certificate and proof of address to registration. Boys and girls ages 6 to 16, as of July 1, 1993, are eligible to participate.

For more information, call league president Joe Ballew at 756-2044.

Saddleback II signs set

The Saddleback Little League will hold its registration this weekend at Saddleback Little League Park, 3300 Saddleback Rd.

All new and returning players must bring a copy of their birth certificate and proof of address to registration. Boys and girls ages 6 to 16, as of July 1, 1993, are eligible to participate.

For more information, call league president Nancy Steger at 756-4812.

The Triad Soccer Club reached the finals of the tournament. The team played against several opponents, including the Santa Clara High School and the Mission Viejo High School boys varsity basketball team.

Letters to the Editor

Credit due

To the editor:

I have played varsity football at Capo Valley for the past four years. I wish you would give the Capo Valley athletics program the recognition it deserves. The program has produced several All-Americans, including myself, and has consistently been one of the top programs in the state. Despite this, the school has been criticized and has been written off as a non-competitive program. I believe it is important to recognize the hard work and dedication of the players and coaches, and to give credit where it is due. Thank you.

Thomas Adams
Capo Valley High School

Junior basketball league results told

The Mission Viejo Junior Basketball League reports the fol-

owing results:

umphs

In a hard-fought battle, the four-time champion Mission Viejo Panthers held off the previously unbeaten Saanich Victoria Cannons in the North Semi-

Final, 52-40, on Thursday. The Panthers, who had won the regular season title, will face the Huntington Beach SBV Jaguars in the North Final.

The South Semi-Final was a high-scoring affair, with the Mission Viejo Jaguars scoring 43 points against the Saanich Victoria Cannons.

In the West Semi-Final, the Mission Viejo Jaguars faced the Saanich Victoria Cannons, with the Jaguars winning 39-36.

The Mission Viejo Jaguars will face the Saanich Victoria Cannons in the West Final.

Aquatics take top honors in A-B meet

Sandi Drake, a member of the Mission Viejo Aquatic Club, won the 50-yard freestyle race, the 100-yard backstroke, the 200-yard individual medley, and the 400-yard individual medley.

Canyon residents to fight new church

By Wesner O'Hare

Solicitors and their Songs program

For the second consecutive year, Saddleback Valley Community Church has sponsored the "Solicitors and their Songs" program. This year, the program will be held in the Colorado Room at the Mountain View Community Church on June 29th.

A total of 150 churches throughout the county have participated in the program, which brings together local and national talent to perform hymns and contemporary songs.

"The program is a great way to bring the community together and to coordinate the efforts of different churches," said Pastor David Miller of the Saddleback Valley Community Church.

Other churches involved in the program include: The Church of Jesus Christ of Latter-day Saints, Calvary Chapel, and the Grace Church.

The program begins at 7:00 PM and will feature performances by local and national artists. Proceeds from the event will be donated to a local charity.

"We are proud to support local charities and to bring the community together through music," said Pastor Miller.

Join us for an evening of music and fellowship as we celebrate the contributions of the churches in our community. Tickets are available at the door or online at the church's website.
Seized ranch given to county

By Patrick Powers-O'Grady

Ranchos del Rio, a 12,500-acre luxury ranch seized three years ago from federal agents during a drug in- 
vestigation, was turned over to the County of Or- 
ange this week because of the death of the erector in 1979.

The ranch is located in a remote canyon 3.5 miles north of Corona and some 15 miles south of Yorba Linda. It is bordered by state property on the east and south and by federal land on the west and north. It includes 8,200 acres of federal land and 1,700 acres of state land.

The property was sold to the county under a plan that would allow the county to use the property as a correctional center for the rehabilitation of youthful offenders. The plan was approved by the Board of Supervisors in 1980.

With the sale of the ranch, the county and federal government will be able to put the property to use for the benefit of the community. The county will use the property as a correctional center for youthful offenders and will lease the property to the federal government for use as a correctional center for adult offenders.

Investment seminar scheduled

Thomas Brenn and Ronald A. Zegers, real estate brokers at the Brenn Zegers office in Orange County, will host a free investment seminar on Wednesday, Jan. 13, from 7 to 9 at the Tustin Civic Center.

The seminar will cover the basics of real estate investment, including how to evaluate properties, how to finance purchases, and how to maximize profits.

World Class

By Comparison, Everything Else is Second Class.

Nowhere in the world is there an apartment rental community for senior retirees as luxurious, as beautiful and as meticulously planned as Rossmoor Regency. Now under construction in Laguna Hills, every aspect of its development is being overseen by Ross W. Cortese who pioneered the world of retirement housing in 1950 with the building of Rossmoor Leisure World.

Rossmoor Regency represents the ultimate in comfortable, carefree, elegant lifestyle. It is the flagship of other Rossmoor Regency communities to be built throughout the United States. On 5.5 acres of landscaped grounds, Rossmoor Regency offers the gracious environment of a fine resort hotel.

Near excellent shopping and healthcare facilities, its Mediterranean design encompasses an immense landscaped courtyard, delightful entertainment pavilion, indoor and outdoor dining facilities, private party rooms, library, cardroom, beauty salon and a host of other amenities.

 Residents are planned in every detail for comfort, convenience, privacy and peace of mind. All provide large balconies or patios and kitchens. Rental includes two daily meals and Sunday brunch and virtually all personal services — maid service, shuttle bus transportation, protective systems, social and recreational programs. Other than personal telephone, all utilities are included. Residents must be ambulatory.

For information about Rossmoor Regency, call (714) 837-0550 or write to ROSMOOR REGENCY, P.O. Box 2725, Laguna Hills, California 92653.
New Homes
Saltaire homes popular in Laguna Heights community

As the recession hit a low point for the housing market in Southern California, the appeal of Saltaire in Laguna Heights continued to draw buyers. The two-bedroom, 1,304 square foot home features a kitchen with a sliding door to a patio. It has a large master bedroom with an adjacent master bath, a second bedroom, and two bathrooms. The living room has a large sliding glass door leading to a patio. The master bedroom has a large walk-in closet, and the home's unfinished basement is perfect for a home office or playroom. The house was built in 1955 and is in excellent condition.

All good things must come to an end. Only nine homes are left in Village Niguel Terrace—Laguna Niguel's most popular condominium community. These one- and two-bedroom units feature spacious living rooms and dining areas, three bedrooms, and a large kitchen. The community is located near the beach and shopping centers. The community has a swimming pool, tennis court, and a clubhouse. The homes are currently listed for between $650,000 and $850,000. For more information, call 949-494-8877.

Save the taxes you could have saved in 1986
on new and used Buicks, Pontiacs & Mazdas
with this coupon!

How do we sell cars for less than the auto centers?
- We built when land was less expensive in 1974.
And now we can pass the savings on to you! If you
think you can get a better deal at the auto
center, just remember who pays their high rent.
You do!
- You can't see us from the freeway.
Freeway locations cost more. Because, we're
out of sight, our prices won't be out of sight!
Since 1974, the lowest priced dealership has
NOT been in the auto center. It's been on
Aliso Parkway.
