We Pass the 10,000 Mark!

Philip Morris, MV Co. In Talks of Sale

The Board of Directors of Philip Morris, Inc. and Mission Viejo Company announced last month in New York they have agreed in principal to a transaction which will give Philip Morris a major interest in Mission Viejo Company. Terms were not disclosed.

The agreement was announced jointly by Stephen B. Cullman, 3rd, chairman of Philip Morris Inc., and James E. West, chairman of Mission Viejo Company. They said the agreement is subject to negotiation, execution and delivery of a definitive purchase agreement and to various legal, financial and other verifications.

Cullman and West announced that Mission Viejo Company would continue to operate as a separate company under the existing management headed by Philip Reilly, president.

Mission Viejo Company is one of the country’s largest community builders.

Mission Viejo covers an area roughly as large as Manhattan Island.

Christmas Program 12 Nights in 1969

This year, Mission Viejo’s now-traditional Christmas program is expanding from five nights to “The Twelve Nights of Christmas,” it was announced by Bob Clay, general chairman of the community-wide holiday observance.

“Two years ago,” Clay said, “we conceived the Five Nights of Christmas, it was announced by Bob Clay, general chairman of the community-wide holiday observance.

“Two years ago,” Clay said, “we conceived the Five Nights of Christmas, it was announced by Bob Clay, general chairman of the community-wide holiday observance.

Occupancy of the La Paz Medical/Dental Center, at La Paz Road and Chrisanta Drive, is scheduled for the first week of November. And space is going rapidly, according to Pat Altnow, who has signed the following to leases:

Dr. Steven Taylor, Dr. Robert O'Callahan, Dr. Giles Allison, dentists; Dr. John Mur-ray, orthodontist; Drs. Fred Open and Neil Barbour and Hlobart Proctor, surgeons; Dr. Tom Amen, optometrist; Dr. Reuben Ramkinsoo, pathologist; Dr. Roger Guevara, obstetrician; Dr. Richard Drexelius, radiologist; Drs. Arnold Lee and T. A. Ross, general practitioners; and Dr. William Barnes, ear-nose and throat specialist.

In addition, Don Morrison Pharmacy will be located in the medical/dental facility.

Saddleback Students Seek Jobs

Looking for student help? Saddleback College encourages employers to use its job placement services for students. Jack Swartzbaugh, coordinator of student activities, explained that his office provides the service to help students locate work.

Assistance in seeking part-time employment is provided while students are in college and in full-time employment after graduation.

Employers may call the college at 837-9700 or 495-4950.

First Apartment Project Slated

The first apartment project in Mission Viejo, originally located on Montanoso Drive just north of the Recreation Center, has been relocated across Oso Creek and will have its entrance from Marguerite Parkway.

The alternate site was chosen because it phases in with the Mission Viejo Company’s marketing plan, and met the flexibility the company provides after considering homeowner’s requests for a new site.

A garden-type complex, the $3.6 million project will include 144 apartments in 18 buildings clustered around richly-landscaped greenbelts and pedestrian walkways.

James Toepfer, vice president of planning, said the apartment complex will have the majority of its parking under the buildings to enhance the open, greenbelt look around and between the Spanish-styled buildings.

“Architecturally,” he said, “the apartment buildings will compliment and blend into the Mission Viejo overall theme. Buildings will have wide overhangs, shake roofs and balconies.”

The company is spending more than $100,000 on landscaping, $315,000 on ornamental lighting and several thousand dollars on decorative walls.

The project will have its own recreational facility, including swimming pool.

Grading of the project will start in June and the complex will be completed in January, 1971.

Final Plans For Library

‘On Boards’

Final working drawings are “on the boards” for the regional library to be built in Mission Viejo.

To be located on Chrisanta Drive, near La Paz Plaza, the 10,000-square-foot library will serve all southern county cities, including Fountain Valley, San Clemente, Laguna Beach and Costa Mesa.

It will have an adult general service area with 41,000 volumes; a juvenile area with 13,000 volumes; a regional reference service area and a regional librarian’s office.

The $230,000 library will conform to the Mission Viejo Early California style of architecture.

Bids on construction, scheduled to start in late Spring of 1970, will be taken in March. Architects are Tom and Truskier of Huntington Har-rbor.

Tree Lighting Ceremony Set

Enjoy your Thanksgiving and save Nov. 30 for the tree-lighting ceremony planned by the Mission Viejo Activity Committee. The magic evening will begin at 9:30 at Chrisanta and La Paz.
Nell Gets to Know Our Families

by Joanne McGowan

A Time for Thanks-giving
Isn’t it wonderful... there is a time for all things. A pause seems especially appropriate at this season. For when we stop to appreciate, we remember to enjoy; how closely aligned are enjoyment and gratitude! Be aware that the most precious is often taken for granted. In this way, we sometimes overlook our greatest blessing.

Have you seen the Beverly Weber exhibit of Engravings at the Elmcraft Galleries in Sna Juan? Beverly is a Master etcher with roots in Cordoba, Spain. Beverly and Nicole La Calle have recently combined their artistic talents in a production of a century titled “Los Dos.” You may view some of their creations at Mission Viejo Pharmacy. All kinds of sugar plums for Christmas.

Those who enjoy creating their own Christmas decorations are already busy with plans for three workshops this month conducted by Nicole for the M.V. Art Association. (If I sound prematurely preoccupied with Christmas, you are right! Because it’s my favorite time of the year, might as well start early to enjoy it. Nicole and I are planning a very exciting workshop for the purpose on November 21 at the Rec. Center.

The Rancho Community Players have selected “The Other Man” for the play for the Monday, Nov. 17 meeting of the Rancho Viejo La Paz Club, La Puente. Bukstals, president, extends an invitation to all members and their guests to attend. B.V.W.C. members are also invited to attend the Recreation Center on Montanoa Drive.

Christmas arts will be featured at the Thursday, November 20 meeting of the Arts Association. Rita Davis, Nicole La Calle and Blanche Irvin will participate in the 7:30 p.m. meeting at La Paz School.

Reserve Nov. 23 and 21 on your calendar for the Christmas Carousel at La Paz Plaza. See adjoining story for details.

In lieu of a November meeting, “Tres Osa” toured Children’s Hospital Orange County. Nicole La Calle, chairman by Carole Collins raised the funds. Many funds raised by guilds benefit the out-patient clinic.

The Republican Women’s Club meets the fourth Tuesday, at the Buffet. The Nov. 25 meeting includes election of officers.

NOLL SHUKES, of Mission Viejo Realty, at her new job. She “gets to know” Mission Viejo families.

Flower Demonstration Scheduled at Club

A demonstration on how to make expanded foil flowers will be given by Mrs. Paul Frieberthauzer at the Mission Viejo Women’s Club meeting Tuesday, Nov. 11 at 8 p.m. at the Mission Viejo Swim and Racquet Club to attend the meeting which promises to be as informative as entertaining.

A beautiful centerpiece will be raffled off and refreshments will be served.

First Day on Job

Nell referred to the first few days on her new job, during which she got three listings in La Paz and four in Eldorado. Following the La Paz listings she also had three potential buyers wanting to “move up” to a home in Eldorado. They wanted to move up to a home in Mission Viejo. The other two families must move during November.

Mrs. Robert Kerr, membership chairman extended a cordial invitation to all women members of the Mission Viejo Swim and Racquet Club to attend the membership meeting which will be on the 12th at 7 p.m. at the Clubhouse. When not busy with the Club and Huntington Beach Art Leages, Orange County Art Assn. and American Craftsman Council. By using simple items, she will show the ladies how to make decorations which can be used for the Christmas holiday season or other occasions.

Women are requested to bring the following supplies to the meeting: aluminum foil (regular weight, smooth), brown paper sacks, white glue, scissors, candle (old one will do), candle holder or jar, matches, Kleenex, jar, or egg carton (to hold flowers), paper, pencil, apron, rag for hands, and wire clippers if possible.

Mrs. Robert Kerr, membership chairman extends a cordial invitation to all women members of the Mission Viejo Swim and Racquet Club to attend the membership meeting which promises to be as informative as entertaining.

Nell’s Hobbies

Nell is active in community affairs. She is serving on the Activity Committee, Christmas program events, Women’s Art Club just starting, and goes to many community events.

Christmas Carousel Nov. 22, 23

by Joanne McGowan

All aboard for the Christmas Carousel Members of the Mission Viejo Art Association and Craftsmen have had this one on the drawing boards for some time, and it promises to be a real joy ride. You have a date for a “merry-go-round” of the La Paz Plaza Saturday and Sunday, Nov. 22-23. The Holiday Boutique will bring you all sorts of “shop-portunity.” What could be more fun than giving unique and original objects as gifts? Christmas! There will be an unending exhibit of fine arts and crafts to choose from.

M.V.A.C. president Ellen Tanney is really excited about the craft fair for children. There’ll be booths in collage, experimental design painting and a glue-in where the younger set will create their own artwork from scraps of wood and glue.

As a special feature Jack Taylor, noted ceramicist of Laguna, will man the potter’s wheel. Those interested in this art form may have a “whirl” at the wheel.

Ellen Tanney, left, M.V.A.C. president, Margaret Moers, center, sewer, and Beverly Weber show the making of an encaustic (wax painting) while at the studio for a Mission Viejo Carvelucision program.

Christmas Program
Now 12 Nights

Viejo's version of the old town square, the intersection of La Paz Road and Christians Drive. Thus, every resident and visitor will receive a bit of our community's Christmas spirit every time he or she comes through Mission Viejo's front door, the La Paz entrance.

Four Themes
"Christmas," Clay continued, "means many things to many people, so we'll employ four themes, one for each of the four weeks leading up to Christmas: first week, 'Deck the Town with Stars of Lights;' second week, 'Christmas IS a Time for Giving,' third week, Santa's Come to Town,' and fourth week, 'Christ, the Saviour Is Born.'

"To make it easy for everyone to remember what activities are taking place, we are holding events only on Sunday, Mondays, Wednesdays, and Fridays. Thus, except for Pearl Harbor Day, Sunday, December 7, a Christmas activity will take place at the intersection every Sunday, Monday, Wednesday, and Friday, from November 30 to December 24. And to further simplify matters, every event will begin at 6:30."

Tree Lighting November 30
The First Night of Christmas will be Sunday, November 30, the Sunday after Thanksgiving. Leading off a parade of more than one dozen school groups that will accompany the sounds of Christmas during the 12 nights, the Mission Viejo High School choir will sing carols about Christmastime.

First feature of the evening will be the lighting of the community Christmas tree, to be on the northeast corner of the La Paz - Chrisanta intersection, the corner nearest the Community Bulletin Board building.

Second feature of the evening will be the prelude to the unveiling of a living tableau of the First Night of Christmas, to be on the northeast corner of the La Paz - Chrisanta intersection, the corner nearest the Community Bulletin Board building.

MINISTER GENE BARBEE
Plans to purchase a 58-acre site in Mission Viejo for the First Christian Church of Mission Viejo have been announced by Gene Barbee, minister.

Barbee said that his church has entered negotiations to buy the site at Jeronimo and Marguerite Parkway, and the transaction should be completed in January, 1970. Construction would start on a permanent facility thereafter.

The First Christian Church of Mission Viejo began services last month, and meets in a multi-purpose room B in the high school.

Sunday services include Bible school, 9:30 a.m.; morning worship, 10:30 a.m., Chris-tian youth hour, 6 p.m., and evening service, 7 p.m. Nursery is provided at all services.

Schools at Capacity
Mobile Rooms Ready
Marguerite M. O'Neill and Linda Vista elementary schools and La Paz Intermediate School are currently under capacity enrollment and running single section, according to San Juan School District Superintendent Ralph A. Gates.

"By using the multi-purpose rooms at the schools it was possible to avoid having 36 double sessions until December when expansion of Aliso and Valencia Schools for Valencia school pupils who are currently being bused into Mission Viejo," Gates said.

Arrangements have been made, he said, for a total of seven more mobile rooms to be available for the second semester at the Mission Viejo schools, should the need arise.

School O'Neill Linda Vista La Paz Present capacity 1200 1025 1110 Total Enrollment 1170 969 963 From Mission Viejo 1005 839 430 From outside M.V. 165 190 555

Mission Viejo Kiwanis in the form of a stable, will later be the site of the community nativity scene. But, during the first three weeks of December, it will be used by the Kiwanis-sponsored M.V.H.S. Key Club, which is called Christmas Stars. It is hoped that the stars, to which every family will add its own Christmas lights, will decorate every roof peak in Mission Viejo. Proceeds of the sale go to a Key-Club-selected cause.

On the Second, Third, and Fourth Nights of Christmas - Monday, December 1; Wednesday, December 3; and Friday, December 5 - the Star Booth will be open from 6:30 to 8:30. A community choral groups will add cheer to the evenings by singing carols on the corner each of the evenings.

Program Highlights
Details of the remaining nights of the program will be announced in the December Reporter. However, Clay did provide short previews of several highlights:

Santa will come to town Sunday, December 14, and will visit our community four nights in a row.

Homeowners are urged to complete their exterior home decorations by December 15, the night preliminary judging of the home nativity contest will take place.

The Christmas Ball will be held Friday, December 19. A special feature will be the presentation of the first "Envees," "thank you" awards from the residents to the men and women who have done the most to make Mission Viejo a better place to live during 1969.

On the Twelfth Night, Sunday, December 21, Mission Viejo's now-traditional children's candlelight parade will kick off in a prelude to the unveiling of a living tableau of the nativity scene, the grand finale of the entire program.

Saddleback College basketball will begin Nov. 28, Coach Roy Stevens announced.

With sophomores in the lineup for the first time in the college's short existence, Stevens rates this year's Gauchos prospects as good. Last year Coach Stevens fielded an all-fictional squad in a freelance schedule.

Three returning lettermen are guard Bill Noon, who was high scorer for community college play in Orange County last year; forward Marvin Lawrence, who was one of the leading rebounders; and guard Rik Merril. New members include Eric Chris- tenson, a guard from San Clemente who was top high school scorer in the county last year. The Gauchos are training at San Juan Capistrano Elementary School, formerly the junior high school of Capistrano Unified School District.

Saddleback's home games will be played at Mission Viejo High School gymnasium.

The Nov. 28 game is a preconference game against San Diego Mesa College at Mira Costa College gymnasium in Oceanside. The first home game will be against the University of California, San Diego, December 2. Desert Conference play opens January 9 with a home game against College of the Desert.

Youths Set November Events

The High School Youth Group has scheduled a number of events for November:

- **Friday, Nov. 28** — Dance, at La Paz Junior High, 8 to 12 p.m., $1 BOD.
- **Saturday, Nov. 28** — Mystery Night, 7 to 10 p.m. Meet at church.
- **Sunday, Nov. 29** — True Adventure night, 7 to 9 p.m., including a demonstration in the power of hypnotism at the church.
- **Saturday, Nov. 15** — Bowling & Pizza party, 4 to 8 p.m., Fashion Lanes Bowling, $2.50 per person.
- **Saturday, Nov. 22** — Walk or Development, in support of Freedom From Hunger Campaign. Starts at 9 a.m. at the church.
- **Sunday, Nov. 23** — Mystery Night, 7 to 10 p.m. Meet at church.
- **Monday, Nov. 24** — Fashion Lanes Bowling, $2.50 per person.
- **Tuesday, Nov. 25** — True Adventure night, 7 to 9 p.m., including a demonstration in the power of hypnotism at the church.
- **Wednesday, Nov. 26** — True Adventure night, 7 to 9 p.m., including a demonstration in the power of hypnotism at the church.
- **Thursday, Nov. 27** — True Adventure night, 7 to 9 p.m., including a demonstration in the power of hypnotism at the church.
- **Friday, Nov. 28** — Dance, at La Paz Junior High, 8 to 12 p.m., $1 BOD.

In other news: The high school youth made $221 from the car wash, and now have $1000 for their trip to Ensenada next summer.

TROPHIES are lined up for winners of first Mission Viejo Swim Meet. Jerry Curran of Mission Viejo Company and 8-year-old Swimmer, Jeff Busch of Mission Viejo, were the winners of the 12-year-old age group, winning $100 and a trophy in the race events.

MV Club Gets So Cal Open Golf Tournament

The Southern California Open Golf Tournament, with a record $52,000 purse, will be played at Mission Viejo Golf Course this year.

Mission Viejo Company and the Newport Inn co-sponsor the event Dec. 27 - Jan. 2.

Mission Viejo's golf director Jack Fleck, former U.S. Open champion, said the tournament will be played in three segments "sandwiched" around the year-end holidays. The Pro-Am segment will be held on the Dec. 27-28 weekend, with the California and western state's pros getting in their licks on Dec. 29 and 30.

After the New Year's Eve and New Year's Day break, the Eastern pros will start the third segment on Jan. 2.

Fleck believes that by sandwiching the playing dates around the year-end holidays a large number of amateurs from throughout the country will compete in the Pro-Am segment.

This year's $52,000 purse was increased from last year's $31,000 for the Southern California Open.

SADDLEBACK College's songleaders have been cheering and singing support to the Gauchos football team. From left are Lena Deszcz of El Toro, Leslie Mowers of Tustin, Barbara Trapp of Tustin and Maureen DeMers of Mission Viejo. Home games are scheduled Nov. 8 and 22, at Mission Viejo High School Stadium, 8 p.m.

Swimmers Compete In First MV Meet

Swimming teams from Santa Barbara to San Diego are rushing to enter the first Mission Viejo Invitational Swim Meet to be held Sat., Nov. 8 at the Recreation Center.

The host Nadadores are scheduling 68 events, with morning competitions starting at 9 a.m. and afternoon competitions beginning at 1:30 p.m.

Swimmers 10 years and younger will compete in the morning, and those 11 and over will vie in the afternoon.

The meet is an S.P.A.A.U sanctioned "C" division age group meet open to zones 1 through 6.

A.U.A. ribbons will be awarded to individuals placing first through 6, with heat ribbons to winners. Relay ribbons will be given for 1st through 3rd places. Team awards will be trophies for overall high-point teams with five runner-up teams also receiving smaller trophies.

The events are divided into six age groupings: 5-6; 7-8; 9-10; 11-12; 13-14; and 15-17.

Trophies are lined up for winners of first Mission Viejo Swim Meet. Jerry Curran of Recreation Center poses with top prizes.
Ferguson

ment, Ferguson served for three years as assistant prin-
cipal of instruction at MVHS, beginning when the school opened in 1966.
A native of California, Fer-
guson can claim a career in education that has spanned more than a decade, teaching and administrative capa-
tilities.
He entered UCLA follow-
ing his graduation from Dor-
yey High School in Los An-
gles; however, World War II interrupted his studies during the second semester.
Serving in the U.S. Army Infantry, he stayed in the European theater, participat-
ing in the Battle of the Bulge among other engagements.
Military service was fol-
lowed by two years at Cal-
ifornia Institute of Technolo-
y in a pre-engineering program.
He then switched his career plans to education, attending the University of Southern California for three years to obtain a bachelor's degree in math and a master of science degree in education.
After graduation, Ferguson launched his teaching career in Oswego, Oregon, a suburb of Portland, but, he explains, that lasted one year. Teachers were poorly paid there, he said.
Because of these financial reasons and still unsure of whether he wanted to pursue education as a career, he joined a management training program with Pacific Telephone, staying with the firm for four years.
Deciding after all that edu-
cation was his field, Fergu-
on returned to California, teaching math and physics in high schools in the Whitter district. He eventually ach-
