

How to use our catalog to find downloadable materials.

Log in using the link in the top of the screen.

Select “Digital Catalog” from the drop down menu.

note that the other options on this drop down menu **will not search the Digital Catalog.*

The screenshot shows the Mission Viejo Library Services website. At the top, there are navigation links: "Log In", "My Account", "My Lists", "Library Information", and "Select Language". The main header features the library logo and name. Below the header is a search bar with "All Fields" selected and "john green" entered. A "Search" button and an "Advanced Search" link are also present. On the left, a "Digital Catalog" dropdown menu is open, showing options like "Everything", "Mission Viejo Catalog", and "Digital Catalog" (which is highlighted). Below this are various subject and author filters. The search results show 25 results found. The first result is "Paper Towns" by John Green, with an electronic format of "WINDOWS MEDIA AUDIO" and an availability of 0. The second result is "Paper Towns" by Green, John, with an electronic format of "BLIO, EPUB" and an availability of 1. The third result is "Looking for Alaska" by Green, John. Red annotations with arrows point to the "Log In" link, the "Digital Catalog" menu option, and the "Download" or "Place Hold" buttons for the search results.

Search results will have a button with two different options:

If the item is available, there will be a “Download” button.

When unavailable, the button will say “Place Hold” where you can enter an email and be notified when it is ready for download.

Make sure to note the format of the item to ensure it works with your device; there are both eBook and eAudio formats in the catalog.
